DESCRIPTION:

An exciting opportunity to acquire the freehold in the rural holding known as Bells Farm, Mere Drove, Old Leake, Boston, Lincolnshire comprising of approximately 31.94 Hectares (78.92 Acres) or thereabouts of predominantly Grade I and partly Grade II arable land extending over five main parcels in a ring fence enclosure. The parcels are a regular shape and size for modern agricultural operations and machinery. We are informed that the land has recently been used for a growing a range of crops to include brassicas, sugar beet, cereals and break crops (as shown in the cropping schedule appended to these Sales Particulars).

LOCATION:

Bells Farm lies within close proximity to the A52 public highway and is situated to the northwest of Old Leake, Boston. Old Leake lies approximately 8.3 miles from the town of Boston.

BELLS FARMYARD AND ADDITIONAL LAND:

Bells Farmyard and an additional 2.66 Hectares (6.57 acres) or thereabouts of arable land is available by separate negotiation. The farmyard comprises of a hardstanding yard with two general purposes agricultural buildings and a traditional red brick farm building. Further details regarding the farmyard and land available by separate negotiation can be obtained from the Vendor's Agents – Richard Start or Alice Hunns, R. Longstaff and Co LLP.

TENURE AND POSSESSION:

The tenure of the farm is freehold. The Vendor reserves a right of holdover for the clearance of growing crops (i.e., 30th September 2025 for cereal crops and 28th February 2026 for sugar beet crops). Should the individual areas become available sooner than anticipated, the Vendor will liaise with the proposed purchaser to agree a mutually convenient exit date.

LAND AND SOILS CLASSIFICATION:

The land is classified as being predominantly Grade I and partly Grade II productive Agricultural land as specified on the Land Classification Map of England & Wales. The land is further classified by the Soil Survey of England and Wales as being of the Wallasea II Association of Soils, which is further characterised as being formed from marine alluvium deposits.

HOLDOVER:

The Vendor reserves a right of holdover for the clearance of growing crops (i.e., 30th September 2025 for cereal crops and 28th February 2026 for sugar beet crops). Should the individual areas become available sooner than anticipated, the Vendor will liaise with the proposed purchaser to agree a mutually convenient exit date.

UNDERDRAINAGE:

We are informed that the land benefits from a comprehensive regularly maintained underdrainage system.
