General Remarks

Bowen are delighted with instructions to offer Greenhill Farm at Elson on the fringes of Ellesmere for sale by private treaty. The property comprises a substantial four-bedroom farmhouse alongside an extensive range of traditional farm buildings set in 123.94 acres (50.16 ha) of land. To be sold as a whole or in lots to suit. The buildings include extensive Kennelling and an exceptional range of modern Equine facilities. These include stabling, feed storage, tack rooms, a competition quality menage and a one-bedroom flat adjoining the yard which would be ideal for groom/staff accommodation. The period farmhouse is believed to date from the 1600's with later additions and provides generously sized living accommodation which fronts onto the yard with gardens to the rear.

Location: The property is located on the fringes of the North Shropshire lakeside town of Ellesmere. The town has an excellent range of local retail shops as well as larger supermarket stores. Ellesmere is ideally situated for access to the larger towns of Oswestry, Wrexham, Shrewsbury as well as the City of Chester. The nearby A5 gives access links to the motorway network and the nearby village of Gobowen has a main line train station with direct links to Birmingham and Manchester to the north.
