**There have been several cases of development within the Green Belt all within a mile of the land for sale.**

## PLANNING

The Green Belt within Central Bedfordshire falls into two categories; 'inset' and 'washed over'. 'Inset' Green Belt settlements are excluded from the Green Belt. This means that within these settlements normal planning policy applies.

**The land for sale favourably falls under 'inset' Green Belt.** Any development would be subject to the appropriate planning permission, but normal planning policy applies.

## NO OVERAGE

There is **no overage or clawback** on this land – rare in today's land market.

## LAND VALUES

**Land values continued to rise last quarter. In the past year, prices have risen by over 7%, outperforming the FTSE 100, UK house prices and interest from savings in the bank.**

These increases are also outpacing inflation as land continues to be seen as a tangible safe-haven for investment.

Investors are also competing with a wide variety of lifestyle and environmentally-motivated buyers as demand once again outstrips supply.

This imbalance between supply and demand doesn't look to change and will continue to drive up land values.

## METHOD OF SALE

The land is offered for sale by private treaty. The freehold is available with vacant possession on completion.

## RECREATION

The land lies close to the proposed Heritage Greenway which will improve and create new 'easy access' footpaths, bridleways and cycle paths that will link Slip End to Caddington and the new community at Chaul End with surrounding areas of heritage & wildlife interest.

Opposite the site you can find Woodside Animal Farm, a popular family attraction. Here children can cuddle anything from bunnies to boa constrictors, tour the farm on a tractor and enjoy fairground rides, crazy golf and indoor soft play. There's also a café on site.

Less than a 20 minute walk from the land you can find two excellent local pubs; the Rising Sun and the Frog & Rhubarb, which offer a selection of award winning drinks and delicious food.

Dunstable Downs and Whipsnade Zoo – the UK's largest – are very close by, as is the excellent Stockwood Park & Discovery Centre.

The land measures 1.11 acres.

Land of this size in this location is rarely available for sale.

Secure gated access from Mancroft Road
